STAT NOTE FOR: [redacted]
Special Assistant to the DCI

STAT FROM: [redacted]
Executive Secretary

1. I appreciated your presentation on revision of our compartmentation program to the Director of Security and senior security officers. It contributed to the sense of urgency and seriousness being given to this effort.

2. The NFIB Agencies will be required to draw heavily on security personnel as representatives and participants in Action Groups formed to develop essential aspects of the Work Plan. The Security Chiefs are represented on the Security Committee and there would be advantages in gaining their willing support. A briefing by you would be most welcome. The Security Committee meets next at 10 a.m., 24 January 1979 in the DDA Conference Room. The meeting usually run approximately two hours. We would be pleased to schedule you for a briefing at any time during the meeting.
